LAMP, Inc. dba Lamp Community

Report on the Financial Statements

We have audited the accompanying financial statements of LAMP, Inc. dba Lamp Community (a nonprofit organization) (Lamp), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lamp as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Lamp's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 19, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

To the Board of Directors
LAMP, Inc. dba Lamp Community

Other Matters - Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 13, 2017, on our consideration of Lamp's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lamp's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2016

NOTE 1 - NATURE OF ORGANIZATION

LAMP, Inc. dba Lamp Community (Lamp) has adopted an integrated, comprehensive model of seven core services: housing (both interim and permanent), mental health care, medical care, substance abuse services, domestic violence services, income/benefits assistance, and wellness/life skills programs. All services are provided with easy “hand off” from one service to another. And all are provided to clients on the street, at the agency’s multiple sites, and in clients’ permanent housing residences.

Lamp’s programs, services and functions include the following departments: Permanent Supportive Housing, Mental Health Programs, Interim Housing, Evaluation and Compliance, and Clinical QA. Accomplishments this year include:

Permanent Housing Services:

Despite extreme shortages countywide of permanent housing units, Lamp has been highly successful at moving homeless individuals into permanent housing through its diversified approach to permanent housing. Through its relationship with two housing authorities, the agency was awarded new scattered site vouchers this year. Lamp’s partnership with and funding from the Department of Health Services (DHS) continues to grow. The agency’s multiple DHS teams provide permanent housing acquisition services and a full range of supportive services, including mental health care to highly vulnerable, homeless, high utilizers of county services. The agency continues to have oversight for services at multiple downtown project-based sites.

Mental Health Services:

Through multiple grants and contracts, the agency’s expansion of mental health services continues. Funding for mental health services includes funding from the Department of Mental Health (DMH) and the Department of Health Services. Mental health services include assessment, clinical case management, individual and group therapy, crisis intervention/evaluation for hospitalization, therapeutic treatment plans, and psychiatry services. Treatment is “mobile” and is provided on the street, in programs and shelters, and in clients’ homes. Specific programs include:

- The agency’s downtown “Wellness Center” has been restructured this year to provide increased group, emergency, drop-in and community services. Onsite Wellness groups are offered from 8:00 to 12:00 every morning to engage individuals on the street. The program has also become more mobile and provides services at the agency’s Village, HAUS and SOLAR sites.
- This year, Lamp was awarded DMH Field Capable Clinical Services (FCCS) Funding, which is now funding additional clinical staff.
- The agency also was awarded Department of Mental Health MediCal Expansion funding for multiple programs.
- Lamp also has been awarded clinical funding for the mobile teams described below.

Wellness Model and Programming:

The agency’s Wellness Program uses a skills-based, harm reduction, group model. Programming includes components that focus on skills such as emotion management, stress management, communication, assertiveness, and anger management. The goal is to assist clients in learning emotional and interpersonal skills that will allow them to become more independent and self-sufficient. Research outcomes have shown that this integrated model is connected with less substance use, improved mental health, increased and improved interactions with others, and increased overall wellbeing. The program has also been connected with an increased number of clients wishing to become sober, decreased use of substances and improved psychosocial functioning among participants. The Wellness Program is now being expanded at all Interim

Housing locations. Life Skills and Wellness groups that are geared toward clients who are not using substances are also offered across the agency.

Interim Housing:

Interim housing sites include the Village and HAUS downtown. All interim housing sites now share resources and are moving forward in incorporating the agency's mental health services and Wellness Skills Model into onsite programming. Lamp's Interim Housing Program works closely with Permanent Housing Services to ensure smooth transitions as participants are assisted to move into permanent housing.

Medical and Recuperative Care:

Medical care through Lamp has been provided in collaboration with LA County medical services and the Department of Health Services. Lamp provides a range of physical health services and linkages through the following programs:

- With funding from the Department of Health Services, Lamp's recuperative care center "SOLAR", located in south LA, serves homeless individuals who are in need of 24-hour, onsite medical care while they are moving toward permanent housing. With new leadership this year, the center is expanding its interim housing services to include onsite Wellness groups and workshops and its linkage to local community based services and activities.
- Lamp's HAUS Program (funded by the Department of Health Services), provides respite care for homeless individuals with physical health problems but who are more ambulatory than those that need more intensive recuperative care.

Mobile Teams:

This year Lamp has expanded its mobile outreach and treatment teams. Lamp has been partnering with DMH and DHS in the recently launched Skid Row C3 effort (a combination of County, City and Community). This ambitious effort has already moved dozens of individuals off of the streets in Skid Row. Lamp staff who are part of this project include the team's director, all the mental health staff and the case management staff.

Compliance and Quality Assurance:

The Compliance and Quality Assurance functions have grown this year and now extend over all programs and services. The agency will continue to expand its evaluation, compliance and data functions to meet the needs of the agency and its level of clinical service provision (in the areas of health, mental health and substance abuse treatment).

Strategic Planning and Community Collaboration:

Lamp's leadership is actively involved in strategic planning, collaborations and advocacy in the local community and in LA County. Both the Executive Director and Associate Director have served on LAHSA's Coordinating Council. Lamp's Executive Director has given multiple presentations this past year in a broad range of forums on issues in addressing homelessness across the county and the country. The Associate Director has presented on the agency's integrated wellness and mental health model at multiple conferences.

Subsequent to June 30, 2016, Lamp merged with Ocean Park Community Center (OPCC) (See Note 10). OPCC provides highly effective, fully integrated services to the most traumatized, vulnerable and needy members of the community - homeless individuals, victims of domestic violence, at-risk youth, indigent veterans, and people dealing with severe physical or mental illness or substance abuse. By merging with OPCC, Lamp will broaden the scope and reach of its services, allowing Lamp to have a greater impact in the Los Angeles community and a louder voice on the issues of homelessness and mental health.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) ACCOUNTING

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts of Lamp are maintained in accordance with the principles of net assets accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. Accordingly, all financial transactions have been recorded and reported by net asset class as follows:

- **Unrestricted - Undesignated.** These generally result from revenues generated by receiving unrestricted contributions, providing services, and receiving income from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions.
- **Temporarily Restricted.** Lamp reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from purpose or time restrictions. Lamp has \$277,555 of temporarily restricted net assets at June 30, 2016.
- **Permanently Restricted.** These net assets are received from donors who stipulate that resources are to be maintained permanently, but permit Lamp to expend all of the income (or other economic benefits) derived from the donated assets. Lamp has no permanently restricted net assets at June 30, 2016.

NOTES TO FINANCIAL STATEMENTS

June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) CASH AND CASH EQUIVALENTS AND RESTRICTED CASH

Lamp considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash and cash equivalents. The carrying value of cash and cash equivalents at June 30, 2016 approximates its fair value.

Lamp maintains separate cash accounts for certain of its members who receive pension and social security payments, as well as cash from other sources. Member funds that have been set aside in restricted trust bank accounts at June 30, 2016 amounted to \$122,661.

(d) ACCOUNTS AND OTHER RECEIVABLES

Receivables are recorded when billed or accrued and represent claims against third parties that will be settled in cash. The carrying value of receivables, net of the allowance for doubtful accounts represents their estimated fair value. The allowance for doubtful accounts is estimated based on historical collection trends, type of customer, the age of outstanding receivables and existing economic conditions. If events or changes in circumstances indicate that specific receivable balances may be impaired, further consideration is given to the collectability of those balances and the allowance is adjusted accordingly. Past due receivable balances are written off when internal collection efforts have been unsuccessful in collecting the amount due. At June 30, 2016, the allowance for uncollectible receivables was \$31,341.

(e) CONTRACT ADVANCES

During the year ended June 30, 2016, Lamp advanced grant funds to subcontractors. The balance of contract advances of \$552,350 at June 30, 2016 was collected in full subsequent to year end.

(f) CONCENTRATIONS

Lamp places its temporary cash investments with high-credit, quality financial institutions. At times, such investments may be in excess of the Federal Deposit Insurance Corporation insurance limit. Lamp has not incurred losses related to these investments and believes it is not exposed to any significant credit risk on cash and cash equivalents.

The accounts receivable balance outstanding at June 30, 2016 consists primarily of government contract receivables due from county, state, and federal granting agencies. Concentration of credit risks with respect to trade receivables are limited, as the majority of Lamp's receivables consist of earned fees from contract programs granted by governmental agencies.

During the year ended June 30, 2016, Lamp earned \$3,732,818 (32% of total revenue and support) under intensive case management programs administered by the Los Angeles County Department of Health Services. Lamp also earned \$2,328,912 (20% of total revenue and support) under homeless services programs administered by the Los Angeles Homeless Services Authority (passed through the U.S. Department of Housing and Urban Development). Lamp anticipates that it will continue to run these programs. There can be no assurance that Lamp will be able to obtain future grant agreements upon the expiration of the current term of the contracts.

LAMP, INC. dba LAMP COMMUNITY

NOTES TO FINANCIAL STATEMENTS

June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) CONTRIBUTIONS AND PLEDGES RECEIVABLE

Unconditional contributions, including pledges recorded at estimated fair value, are recognized as revenues in the period received. Lamp reports unconditional contributions as restricted support if they are received with donor stipulations that limit the use of the donated assets. Conditional promises to give are not included as support until such time as the conditions are substantially met. Pledges receivable at June 30, 2016 are due to be collected in their entirety within one year.

(h) PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased or at fair value at the date of donation, if donated. Depreciation is provided over the estimated useful lives of the related assets on a straight-line basis as follows:

Buildings and Improvements	27-40 Years
Furniture and Fixtures	5-10 Years
Automobiles and Trucks	7 Years
Leasehold Improvements	Lease Term (Including Extensions)

Expenditures for maintenance and repairs are charged to operations as incurred while renewals and betterments are capitalized. Property and equipment are capitalized if the cost of an asset is greater than or equal to \$5,000 and the useful life is greater than one year. Expenditures for property and equipment acquired under certain grant agreements are expensed when incurred because the grantor retains title to such assets.

(i) LONG-LIVED ASSETS

Lamp reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flow is less than the carrying amount of the assets, in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the year ended June 30, 2016.

(j) REFUNDABLE ADVANCES AND CONTRACT RESERVES

Grant funds are recognized as revenue in accordance with the term of the grants and when funds are expended for grant purposes. Refundable advances include both amounts received in excess of funds expended to date as well as grant amounts awarded and not yet expended. In accordance with the term of the grant, each contract must be treated as a separate fund; therefore, continuing programs that accrue debts related to one contract period cannot be paid by cash advances related to another contract period. Grant funds received in advance amounted to \$1,068,410 at June 30, 2016. Contract reserves at June 30, 2016, amounting to \$895,261, are estimated amounts due to the Los Angeles County Department of Mental Health for contract years ranging from 2006-2007 through 2015-2016.

LAMP, INC. dba LAMP COMMUNITY

NOTES TO FINANCIAL STATEMENTS

June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) CONTRIBUTED GOODS AND SERVICES

Contributions of donated non-cash assets are recorded at fair value in the period received. Contributions of donated services are recognized if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. A substantial number of volunteers have donated significant amounts of their time to Lamp. Some of the services that these individuals rendered, however, do not meet the above criteria and, as such, are not recognized as revenue.

(l) INCOME TAXES

Lamp is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d.

(m) FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing Lamp's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. Lamp uses full time equivalents to allocate indirect and shared costs.

(n) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues and expenses as of the date and for the period presented. Accordingly, actual results could differ from those estimates.

(o) COMPARATIVE TOTALS

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with Lamp's financial statements for the year ended June 30, 2015 from which the summarized information was derived.

(p) NEW ACCOUNTING PRONOUNCEMENTS

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases*, which is intended to improve financial reporting about leasing transactions. The new standard will require organizations that lease assets with terms of more than 12 months to recognize on the consolidated statement of financial position the assets and liabilities for the rights and obligations created by those leases. The ASU also will require disclosures to help financial statement users better understand the amount, timing, and uncertainty of cash flows arising from leases. These disclosures include qualitative and quantitative requirements and providing additional information about the amounts recorded in the financial statements. For Lamp, the ASU will be effective for the year ending June 30, 2021.

In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities (Topic 958)*, which is intended to reduce complexity in financial reporting. The ASU focuses on improving the current net asset classification requirements and information presented in financial statements that is useful in assessing a nonprofit's liquidity, financial performance, and cash flows. For Lamp, the ASU will be effective for the year ending June 30, 2019.

(q) SUBSEQUENT EVENTS

Lamp has evaluated events and transactions occurring subsequent to the statement of financial position date of June 30, 2016 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through February 13, 2017, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred, except for those described in Note 2 (e) and Note 10.

NOTE 4 - ACCRUED LIABILITIES

Accrued liabilities at June 30, 2016 consist of the following:

Accrued Payroll	\$	229,211
Accrued Vacation		171,974
Other Accrued Expenses		<u>14,696</u>
TOTAL ACCRUED LIABILITIES	\$	<u>415,881</u>

NOTE 5 - LINE OF CREDIT

Lamp has a revolving bank line of credit with a facility of \$425,000 (secured by receivables and equipment) through February 2017. The line of credit bears interest at the bank's prime rate plus 1.375% with a floor rate of 5.0%. The bank's prime rate at June 30, 2016 was 3.50%. There was no outstanding balance at June 30, 2016 on the line of credit.

NOTE 6 - NOTES PAYABLE

Notes payable consists of the following at June 30, 2016:

Note payable to California Department of Housing and Community Development (CDHCD) in the original principal amount of \$1,000,000, collateralized by Lamp's interest (including rents) in, and improvements to, 660 South Stanford Avenue, Los Angeles (Lamp Lodge), principal and interest at 3% due in annual payments made exclusively from residual receipts (as defined in the loan agreement) derived from Lamp Lodge, due April 2021. \$ 1,000,000

Note payable to CDHCD under the Emergency Housing and Assistance Program (EHAP) in the original principal amount of \$1,000,000, collateralized by the Village property located at 526 San Pedro Street, with principal and interest at 3% due in annual installments from residual receipts (as defined in the loan agreement) from the Village as long as the Village is used as an emergency shelter, a transitional housing facility, or a safe haven, due December 2020. The loan is forgivable at the end of the term. The loan was issued to fund the rehabilitation of the Village building and funded in January 2015. 1,000,000

TOTAL NOTES PAYABLE **\$ 2,000,000**

It is not anticipated that Lamp will have any residual receipts on the operations of Lamp Lodge or the Village that will activate the requirement to make cash payments on the two loans from CDHCD. It is also anticipated that the Village will continue to operate as an emergency shelter, transitional housing facility or safe haven in the foreseeable future. Contingent interest on the notes payable to CDHCD amounted to approximately \$800,000 at June 30, 2016.

NOTE 7 - PROFIT SHARING PLANS

Lamp has established a profit sharing plan for its full time employees. The plan provides for annual contributions to be made at the discretion of the Board of Directors. Lamp made no contributions to this plan, and was working to close it out during the year ended June 30, 2016. Since November 2010 Lamp has also had a 403(b) tax-sheltered annuity plan. This plan covers all employees who normally work more than 20 hours a week and have one year of service. Lamp contributes 100% of eligible employee contributions up to 2.5% of compensation. During the year ended June 30, 2016, Lamp contributed \$11,324 to this plan.

NOTE 8 - TEMPORARILY RESTRICTED NET ASSETS

TOTAL TEMPORARILY RESTRICTED		
NET ASSETS	\$	<u>277,555</u>

NOTE 9 - COMMITMENTS AND CONTINGENCIES

(a) OPERATING LEASES

On January 1, 2009, Lamp entered into an operating lease with the City of Los Angeles for facilities located at 527 Crocker Street, Los Angeles (The Village) and 526 South San Pedro Street, Los Angeles. The lease term is through December 31, 2028. There are no monthly lease payments, provided Lamp continues to provide housing and social services to the homeless community of Los Angeles and perform certain prescribed maintenance, repairs and upgrades to the premises.

Lamp leases property located at 660 South Stanford Avenue, Los Angeles (Lamp Lodge) from the City of Los Angeles Housing Department (City) as successor to the Community Redevelopment Agency of the City of Los Angeles. The term of the lease, which was entered into in April 1990, is 55 years, with an option to extend for 44 years. At the end of the lease term, Lamp will release the site to the City free of all liens and encumbrances. The lease provides for annual rental payments equal to 50% of the annual residual receipts of Lamp Lodge. Through June 30, 2016, there have been no residual receipts.

Lamp also leases certain supportive housing units and equipment under month-to-month operating leases.

NOTE 9 - COMMITMENTS AND CONTINGENCIES (continued)

(a) OPERATING LEASES (continued)

Lamp rents four facilities and equipment under operating lease agreements expiring at various dates through June 2021. Future minimum commitments under existing non-cancellable leases as of June 30, 2016 are as follows:

Years Ending June 30	
2017	\$ 733,410
2018	269,468
2019	276,722
2020	284,194
2021	275,755
TOTAL	\$ 1,839,549

Rent expense under these leases for the year ended June 30, 2016 was \$326,012.

(b) LEGAL PROCEEDINGS

In the ordinary course of conducting its business, Lamp from time-to-time becomes involved in various lawsuits. Some of these proceedings may result in judgments being assessed against Lamp which may have an impact on changes in net assets. Lamp believes that these proceedings, individually or in the aggregate, would not have a material effect on these financial statements.

(c) CONTRACTS

Lamp's grants and contracts are subject to inspection and audit by the appropriate governmental funding agencies. The purpose is to determine whether program funds were used in accordance with their respective guidelines and regulations. The potential exists for disallowance of previously funded program costs. The ultimate liability, if any, which may result from these governmental audits cannot be reasonably estimated and accordingly no provision has been made in these financial statements, except as described in Note 2 (j).

NOTE 10 - SUBSEQUENT EVENTS

During the year ended June 30, 2016, the Boards of Directors of Lamp and OPCC, another leading social services agency committed to ending homelessness in Los Angeles, independently and unanimously approved a resolution to merge the two agencies. The merger agreement was executed in December 2015 and will result in combining the expertise and best practices of Lamp and OPCC in service and program resources to serve a greater number of people in the most effective ways possible. The formal transfer of assets, liabilities and contracts from Lamp to OPCC is in the final stages pending approval by various government agencies. The merged entity's new name is The People Concern.

On August 23, 2016, Lamp entered into a limited partnership agreement for the purpose of redevelopment and ongoing maintenance of the Lamp Lodge. Terms of the limited partnership agreement require the assignment of the long term ground lease between the City of Los Angeles and Lamp [described in Note 9 (a)] to the limited partnership. Assignment of the ground lease, demolition of the existing building and redevelopment require the consent of the City of Los Angeles. As of the date of these financial statements, this consent is still pending.

Summary of Significant Accounting Policies

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the Federal award activity of Lamp under programs of the Federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Lamp, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Lamp.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in Office of Management and Budget Circular A-122, Cost Principles for Non-Profit Organizations, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

3. Indirect Cost Rate

Lamp has not elected to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.
